

Pupil premium expenditure evaluation: 2017-18

Barriers to learning for eligible pupils to be addressed: Emotional well-being that can impact on attendance and self-esteem; life experiences that can impact on aspiration and knowledge of the world beyond the home locality; gaps in learning specifically in key skills within the core subjects.

Total income : £17,451

Area of expenditure to address barriers to learning	Impact on barriers to learning and how it has been measured	Cost
<p>Aspiration and opportunity</p> <p>Funding will be used to provide enrichment opportunities for pupils to enhance life experiences leading to aspiration and wider knowledge of opportunities.</p>	<p>Opportunities offered for pupils during the year include educational visits to places such as Murton Park, Yorkshire Wildlife Park, William's Den and Winmarleigh Hall (residential trip).</p> <p>These experiences provide pupils with wider life experiences to inspire, build confidence and develop knowledge and understanding of the world, leading to increased aspiration and lifelong learning. Pupil voice confirmed the learning and benefit of these activities showing impact on self-esteem and knowledge of the world.</p>	<p>£4000</p>
<p>Learning support</p> <p>Individual learning needs will be addressed through targeted intervention or classroom support.</p>	<p>Pupils have been supported in class across the curriculum. This support has enabled the target pupils to become increasingly independent in their learning as well as developing confidence in group and class situations.</p> <p>Specific interventions have also taken place to address both learning and emotional needs. The result has been improved</p>	<p>£13,451</p>

	<p>emotional wellbeing and improved and maintained attendance. (e.g one pupil has improved from 78% to 91% attendance and persistent absentee within this group has dropped from 38% in 2016/17 to 6% for the year 2017-18)</p> <p>.</p>
