

**Pupil Premium Expenditure and evaluation: 2016-2017**

**Total income: £22,440**

Barriers to learning for eligible pupils to be addressed: Emotional well-being that can impact on attendance, life experiences that can impact on the ability to access the full curriculum, gaps in learning specifically in key skills within the core subjects.

Area of expenditure	Impact	Cost
<p><b>Curriculum enrichment</b></p> <p>Funding will be focused on ensuring all pupils access a rich and varied curriculum that allows individual interests to be fostered and enhanced. This area includes funding school trips and curriculum enrichment activities within school.</p>	<p>Gaps in opportunities will be closed in order to prepare pupils for their next stages in life.</p> <p>Pupils will have the life experiences that will allow them to participate in a wider variety of learning experiences thus preparing them for a life of learning.</p> <p>Impact has been measured through well-being survey, lesson observation and tracking data. Pupils spoke glowingly of the experiences provided identifying friendship development, learning, healthy lifestyles and challenge as some of the benefits. This has resulted in the development of positive attitudes to learning evidenced by increased growth mindset.</p>	<p>£8,000</p>
<p><b>Curriculum interventions</b></p> <p>Funding directed towards staff training in the last academic year must now be consolidated in order to ensure interventions can take place.</p>	<p>Early identification of learning needs will enable focused intervention to allow pupils to access the curriculum in line with their peers. This will be achieved by closing gaps in learning.</p> <p>Impact has been measured through pupil tracking data and</p>	<p>£2,000</p>

	<p>specific intervention data. Internal tracking has shown pupils across all age groups and across all core subjects have made good progress from their starting points for the academic year.</p>	
<p>Learning support</p> <p>Staff will be deployed in order to ensure pupils are supported in learning.</p>	<p>Pupils will be engaged in positive learning outcomes, closing gaps and progressing in line with their peers. Pupils identified will be supported in line with quality first teaching and within individual action plans.</p> <p>Impact has been measured through internal tracking which shows pupils making good progress across core subjects from their starting points.</p>	<p>£12,000</p>
