

Sports funding. St. Mary's Catholic Primary School

All primary schools are currently receiving a grant to improve sport and mental health provision. The following table shows how we expect funds to be spent through academic year 2017-2018. Total expenditure - £16000

Action	Impact	Cost
<p><u>Professional Services-Holy family High School.</u> HF staff to provide support to staff to further their professional development and confidence in delivery of sport/PE. In addition, provide cluster meets/activities where all children can be involved regardless of ability.</p>	<p>Further opportunities and develop interest through introduction to sports. This could include talent spotting and directing children to suitable sporting establishments. Pupils/staff will also have the opportunity to access quality teaching and learning from experienced, P.E. specialists leading to greater confidence and skills.</p> <p>Improve exposure to quality coaching. Early identification of talent, leading to fast track coaching through club opportunities. All children to have the opportunity to participate in cluster and higher level events, allowing a greater exposure to unfamiliar sporting activities.</p>	<p>£2250</p>
<p><u>Professional Services -Sports coaches</u> Continue to maintain contact with external sport coaches. Change for life/Strong and Motivated Kids with Sam, to continue with Y5 initially.</p>	<p>Children to be active throughout the school week including break and lunchtimes, maintaining and developing healthy lifestyles, positive relationships and behaviour. Wider knowledge and experience to enable young people to make better lifestyle choices.</p>	<p>£3000</p>

<p><u>Transport to sporting events</u></p>	<p>Greater exposure to high level events and activities that we can't run from our school.</p>	<p>£1000</p>
<p><u>Healthy lifestyles- Learning resources</u> Continue to maintain resources for active lifestyles. The children will have access to quality resources that will encourage activity throughout the school day. They will be stored appropriately and accessible for use. A new order of equipment to replenish old or damaged stock will be made as appropriate. Improvement of the running track section of our school field. Termly wow day.</p>	<p>Encourage healthier and more active lifestyles, relieve boredom, reduce incidents of inappropriate behaviour during lunch time and break times.</p> <p>Development and exposure to sporting activities that the children would otherwise not experience so that positive life messages are fostered for lifelong health and wellbeing.</p>	<p>£7750</p>
<p><u>Development of an outdoor 'Tranquillity' space/Peace garden</u></p>	<p>Tranquil space available for all children/classes to use. Encourage and maintain positive relationships and behaviour.</p>	<p>£2000</p>
