BOOK FAIR

There has been a fabulous response to this year's book fair. Don't worry if you haven't had a chance to visit it yet, it is in school until Wednesday - the final sales session being Tuesday after school. Why not come along and have a look, there are some super books on sale.

SECTION 48

You should have received your copy of the final report from our Section 48 inspection in December. If you have not please contact the school office and we will send one. Alternatively, it will soon be published on our website so you can view it there.

YEAR 5 & 6 TRIP

Year 5 & 6 are visiting Murton Farming Museum next week to take part in some Stone Age workshops. Year 5 will be visiting on Tuesday and Year 6 on Wednesday. Please remember that they will need to wear warm clothes and sensible shoes that you don't mind getting messy plus a packed lunch. Can we also remind parents that the bus stop will be needed at the beginning and end of the day on both occasions.

DOGS

Please can we remind parents/carers that dogs are not allowed on the school playground at any time for health and safety reasons. If you bring a dog with you to school the dog must remain outside the school grounds at all times. Thank you for your co-operation in this matter.

CAR PARK FENCING

We are hoping that the long awaited fencing work between the bungalow and the car park will take place during half term. We have been trying to get fencing to make it safer for people entering the grounds via that route for many years. The aim is to provide a safe walkway from the gateway by the bungalow round to the early years area. Lets hope nothing happens to prevent this finally going ahead.

YEAR 4 ASSEMBLY

We were treated to a brilliant assembly by Year 4 yesterday. They gave us lots of information about Fair Trade goods and how buying these items help the farmers overseas. Well done everyone.

REQUEST FOR BOXES

The Reception class would be very grateful for donations of boxes (all sizes), cartons and other modelling materials for our 'making stations'. We would be particularly interested in small boxes that could be used to make a vehicle. Thank you.
