Yr 3 swimming returning approx. 3pm

Yesterday we had a fabulous school celebration where pupils and staff were joined by Father Wilson, school governors, parishioners and parents to see our new Mini Vinnies commissioned. Gaynor Markham from SVP society led the celebration as 16 pupils made their promise to live out the gospel values in their lives and help others whenever they can. Congratulations to Melody (Y6), Maria, Edi-May, Eleanor, Ava, Maisie, Leanne (all Y5), Ruby L, Alfie, Maisie, Keira (all Y4), Lilly, Josie, Charlotte, April and Isabelle (all Y3).

On Friday 25 May we will be holding a wish day in aid of the Starlight charity which helps seriously and terminally ill children.

We are asking the children to come to school dressed up as whatever they ever dreamed of being, whether it be a fairy or pirate, a racing driver or pop star.

The donation for this dress up day is £1.00 with all proceeds going to the charity.

## YEAR 1 WALK

On Wednesday 2 May, Year 1 will be going for a local walk around school and Brayton as they have been learning about maps and map symbols in geography. If you are available to help out on the day and are DBS cleared please let Mrs Alsop or the school office by Monday 30 April. This walk is covered by the local visit form held in school, if you do not want your child to take part in this walk please contact the school.

## PARENT GOVERNOR: THE SCHOOL NEEDS YOU!!

You will have seen on last week's newsletter that one of our present parent governors term of office has come to an end. I am sure you will want to join all involved with the school in thanking Mr Oliver for the years he has served on our governing body. We really appreciate the time and efforts he has put into supporting the school.

Of course this now means that we need a new parent governor. The details of the role were on last week's newsletter. Please take some time to think seriously about whether you could step forward. The school needs a full governing body and the voice of the parents is an important element of the group. If you are interested let the school know by Friday 4 May 2018

## SCOOTERS & BIKES

It's great to see our children coming to school on their scooters and bikes. Can we remind you all that these should not be ridden in the school playground. As you can appreciate the playgrounds are very busy places at the beginning and end of the day and we wouldn't want any accidents to occur. Please remind your children to walk with their bikes and scooters when in the playground. Many thanks.
