Issue 30

25 June 2021

Headteacher update

It's been a busy week again with all year groups completing their end of year assessments. The children have been brilliant. Taking into consideration the disrupted year they have had, it has been wonderful to see their focus and determination when approaching these tasks. Well done to everyone. As always the final teacher assessments scores will be included in end of year reports later in July.

In contrast, it has been disappointing to find out this week that the planned school visits for our September new starters will not be able to go ahead. If this applies to your child a separate letter will be coming to explain more. It feels like such a long time since we have been able to welcome visitors to the school. Let us hope September proves to be more positive.

MENU CHANGE

Please note a change in our dinner menu for week commencing 12 July.

Lasagne will be replaced with Pasta Bolognaise.

Please bear this in mind when placing your child's lunch order.

Thank you.

CHILDREN'S CREATIVITY STUDY

Last week we sent out a letter regarding research being conducted, through York St. John University, by a former pupil from St. Mary's. Several parents have completed the consent form to allow their child to take part. Thank you for this. We still need a few more volunteers, so if you would like to your child to take part, please follow this link to give consent.
