Please be considerate to those around you whether in vehicles or on foot.

## **GDPR CONSENT FORMS**

We recently sent home GDPR consent forms for parents to express their preferences regarding school non-essential communications. Please take care when making your choices. The school newsletter and other information letters & text messages will be sent out to everyone as normal. Please send completed forms back into school as soon as possible.

Thank you.

## **MENU CHANGE**

The recipe for the Chicken Wrap has been changed. It will now be made up of chicken, lettuce, cucumber, grated carrot & salad cream this will be served with potato wedges. They will be offered separately at the counter so that the children can decide what they would like inside the wrap. The next dates this meal will be served are 28 June and 19 July.

## **5 WAYS TO WELLBEING**

This week we awarded our first '5 Ways to Wellbeing' certificates. These are based on the 5 key messages of how to look after our own wellbeing.

1. **Take notice** - remember the simple things that give you joy.
2. **Keep learning** - embrace new experiences, see opportunities, surprise yourself.
3. **Be active** - do what you can, enjoy what you do, move your mood.
4. **Connect** - talk and listen, be there, feel connected.
5. **Give** - your time, your words, your presence.

As an extra celebration we are trialling notifying parents in advance of the celebration assembly. We realise this is short notice but felt if parents were collecting children from school they may like to pop in and see the certificate awarded. With this in mind staff are giving the names of pupils awarded certificates to the office staff by Wednesday so that a text message can be sent to parents. We would be interested to have your feedback about this trial in order to see whether it is worth continuing in September. If you are unable to attend the celebration yourself perhaps a grandparent or other family member could attend.
