THINK

Please take time to think about where and how your are parking around school.

Please be considerate to those around you whether in vehicles or on foot.

SHARE THE JOURNEY

Next Wednesday, 20 June, the Mini Vinnies group would like the school to take part in a walk to church. The walk is in support of refugees who walk miles looking for a safe place to live and has been initiated by Pope Francis.

We will leave after registration, walk to church, take part in Mass and then walk back. The total mileage completed by the participants will be added to the world wide total. If you would like to join us in 'Sharing the Walk' everyone is very welcome - the more the merrier! We will be asking for more participants at church too. The target is 24,900 miles - lets join together and walk as many miles as possible a school and church community.

MENU CHANGES

The recipe for the Chicken Wrap has been changed. It will now be made up of chicken, lettuce, cucumber, grated carrot & salad cream this will be served with potato wedges. They will be offered separately at the counter so that the children can decide what they would like inside the wrap. The next dates this meal will be served are 28 June and 19 July.

You should also have received a letter about changes to the school dinner menu this week. School dinner numbers have been dropping during the year so the catering service are offering a sandwich option during this warm weather to see if that can bring numbers back up. If you did not receive a letter or menu please contact the school office.

FAMILY MASS

Our final family Mass of the school year is on Sunday at 9.30am at St Mary's Church. It would be lovely to see as many there as possible to make Father's day a real family celebration.

OPEN MORNING

Once again we were joined by many parents this morning for the last of our open lesson sessions. Parents enjoyed supporting their children with science, maths, spellings and even kick boxing. It has been wonderful to be joined by so many of you over the year. I hope you have also enjoyed the experience. It is definitely something we will take forward to next academic year so watch out for the dates in September.

BIKEABILITY

This week the first group of Year 6 children took part in Bikeability. It was fantastic! First we practised on the playground then, on the second day, we learnt how to ride safely on the road. The second group will take part next week. We will find out if we have passed after everyone has taken part.
