WE RETURN TO SCHOOL ON
WEDNESDAY
5 SEPTEMBER 2018 @ 8.45AM

SUMMER WISHES

As another busy school year draws to a close, it only remains for me to thank all connected with school for their contribution to the year; staff for their hard work, care and dedication to the children, governors for the important work they do behind the scenes to keep the school running correctly and yourselves for your support and involvement in all aspects of school life. A big thank you must also go to the children who have worked hard (in extreme heat this term), cared for one another and really followed our school motto of 'Loving, Laughing and Learning in the Light of the Lord'.

I wish you all a fabulous, enjoyable summer and look forward to seeing everyone back refreshed and ready to start another year in September. Happy holidays!

YORKSHIRE WILDLIFE PARK

On Friday last week our Reception class and their buddies from Year 6 went on a trip to the Yorkshire Wildlife Park. Everyone had a fantastic time in the sunshine.

There were lots of animals to see; meerkats, giraffes, lions, tigers, rhinos, wallabies, polar bears, lemurs and very cute baby lemurs!

They had lots of fun running around and exploring in the play areas too.

It was a lovely way to finish the year, spending time together learning and playing.

The Year 6 children have been great, very supportive and caring to their buddies. They will be missed by the children in Reception who wish them all the best for their move to high school.

ROOFING WORK

Thank you to everyone for your understanding and resilience this week during the first stage of the roofing work. The staff and children have managed brilliantly camping out in the IT area on the days when the roof above their classroom was being worked on. We are optimistic that if the weather holds it will all be finished before September.

LEAVER'S ASSEMBLY

What a fabulous last performance from Year 6. This morning they took us on a journey of memories, achievements and hopes, as they revisited some of their special moments and shared some inspirational thoughts for the future. Well done Year 6, you have been brilliant. We all wish you all the best for your new adventures at high school.

THINK

Please take time to think about where and how your are parking around school.

Please be considerate to those around you whether in vehicles or on foot.

SUMMER READING CHALLENGE

Mrs Whittaker from Selby Library visited to tell us of the new summer reading challenge. You should have received leaflet giving details. Why not pop down to Selby Library and see what it is all about. Those who complete the challenge will receive a medal in school in the Autumn term.

CRUCIAL CREW

On Tuesday this week Year 6 travelled to Askham Bryan College to take part in the Crucial Crew event. They had a great time and all enjoyed learning how to stay safe and what dangerous things can happen if you don't take care. Thanks to Crucial Crew they now know how to keep safe when crossing a road and charging their phones.

YEAR 2 - STOCKBRIDGE

Year 2 had a productive morning at Stockbridge Technology Centre, Cawood on Wednesday morning. They enjoyed picking and trying the foods they had planted in earlier visits. They harvested radishes, potatoes, courgettes and cucumbers. The cucumbers were juicy and tasty. Neve enjoyed the woodland walk where she found little bugs and flowers.

CLUSTER ONLINE SAFETY COMPETITION

Some Key Stage 2 children took part in an online safety competition where they had to design a poster of reminders for how to be safe online, in the shape of a footprint. Congratulations to George from Year 5 who was one of only 2 winners in our school cluster. George's winning footprint and all of the other entries can be found on the Digital Leaders display outside the Year 1 classroom.

Well done to everyone who got involved and remember to talk to someone if you have any worries or questions about being safe online especially during the holidays.

PARENT PAY

All dinner accounts should now be paid in full. If you still have money outstanding please settle this before close of school tomorrow.

May we also remind parents of Year 2 children moving into Year 3 that they will have to pay for school dinners from September. If you have not registered with Parent pay already but would like to, please contact the school office, they can provide you with details to get your account set up.

Many thanks for your support.

NEW MENU

The new menu for September was sent home earlier this week. It was also sent out via email and will also be able to view on the school website and Parent pay.

Please note that there is a price increase from September 2018. The new price is £2.47, ideally this should be paid via Parentpay in advance or by cash at the school office at the beginning of each week.

If you would like a paper copy of the menu please call in to the school office.

EAR PIERCING

If you are planning to get your child's ears pierced over the summer holidays could we ask that you do this at the start of the holidays. This gives the ears chance to heal so that earrings can be taken out for PE, swimming etc.

If your child is not able to take their earrings out, they will not be able to take part in these activities due to health and safety reasons.

Thank you for your co-operation with this matter.

WRITERS AWARDS

OUR WRITERS AWARDS FOR THIS TERM GO TO:
RECEPTION – KACPER
ST PATRICK – NOAH
ST GEORGE – AMELIA J
ST ANDREW – LILLY
ST FRANCIS – JOSHUA
ST NICHOLAS – MARIA
